By Doug and Betty Holling

Evergreen Camera Club lost a stalwart, long-time member on March 20.

Dave Edwards was an accomplished, prize-winning photographer—he was also a great friend to everyone.

He was always an enthusiastic booster of and contributor to ECC.

His contributions to the Mentor program were ongoing and enthusiastic—including helping beginners

learn which way to point the lens, how to use Photoshop or Lightroom or any other problems they might have.

Dave single-handedly published our yearbooks for several years, drove the clubs' efforts in annual PSA competitions and helped with the fire station photo shoot several times.

Dave had a great love for Mount Evans and all of its animals. He tried to get to the summit on opening day every year (come rain, snow, wind, graupel or anything else the mountain served up). Dave and his wife Carol's home

is a high-altitude home with a panoramic view of the east facing slope of Mt. Evans and he loved to watch the changing weather on the mountain.

He also had many photographic adventures at Rocky Mountain Arsenal NWR and various other favorite sites.

In spite of the fact that he had two life threatening diseases, he was outgoing and enthusiastic until the end.

He leaves some big shoes to fill.
