## August Evergreen Camera Club Program presented by Tammy Hammond

Tammy Hammond, PSA Colorado Membership Director presented an informative meeting about PSA (Photographic Society of America). The primary objective of the 85-year-old organization is to promote the art and science of photography in all its forms. PSA's rich history dates back 100 years and includes prints from Ansel Adams and Joseph Rosenthal. There are over 5800 members worldwide and 500 volunteers.

Currently, there are four types of PSA memberships available: Clubs, Councils, In-

dividual and Chapters. ECC holds a "Club" category membership. The highlighted Club benefits include interclub competitions, consultant services, discounts on photography products and services and access to the monthly PSA Journal. An Individual membership also includes online courses, webinars, image evaluation, consulting, mentorship and more.

PSA offers the opportunity to improve your photography skills through individual and interclub competitions and exhibitions. PSA offers members the ability to display images in online galleries and in the PSA journal. There are six divisions that allow focus on special interests, including 3D, Nature, Projected Image, Photojournalism, PHOTO Travel and Prints.

The exciting news is that the annual PSA Photo Festival will be in Colorado Springs next year from September 29 – October 3! More information about PSA is available at <http://www.psa-photo.org>.
